**The Big Brothers Big Sisters Vision** is creating brighter futures, better students, stronger families and communities for all.

**The Big Brothers Big Sisters Mission** is to help children reach their potential through professionally supported one-to-one relationships with measurable results.

### **Organization Overview**

In 2011 Big Brothers Big Sisters of Ventura County served over 900 children weekly, age 6 through 21.

Big Brothers Big Sisters one-to-one mentoring makes a huge difference for the youth it serves. Research consistently demonstrates that Big Brothers Big Sisters mentoring helps at-risk youth overcome the many challenges they face. The most compelling evidence was found by Public/Private Ventures (P/PV), showing that Little Brothers and Little Sisters are:

- 46% less likely to begin using illegal drugs;
- 27% less likely to begin using alcohol;
- 52% less likely to skip school;
- 37% less likely to skip class;
- More confident in their school work performance;
- Able to get along better with their families.

Big Brothers Big Sisters was selected by Forbes Magazine as one of its top ten charities, making the publication's "Gold Star" list of charities worthy of donor consideration. The magazine surveyed 200 non-profits and rated them on how efficiently they collect and distribute dollars. Forbes looked at three categories: charitable commitment; fundraising efficiency, and donor dependency.
